

HITTING ACCELERATED TRAINING WEEKEND

February 18-19, 2012 Baseball Factory Headquarters Columbia, Maryland

Baseball Factory's Hitting Accelerated Training Weekend gives players the opportunity to improve their offensive ability through numerous drills and extensive analysis of their swing.

Become a force at the plate!

Our professional staff will work with each player to help him maximize his potential and raise his game to a new level.

All players will receive:

◆ **Top Notch Instruction:** Our team of coaches has included:

Matt Schilling, former player and assistant coach at Coastal Carolina University and former professional scout for the Atlanta Braves. Current Senior Director of On-Field Instruction.

Jereme Scott, former college player at Saint Joseph's University. Current Lessons Instructor at Baseball Factory.

◆ **Personalized Training:** Our coaches will break down each player's swing by closely analyzing every aspect of his hitting style, ability and technique. Players will receive personal recommendations to enhance future success at the plate.

◆ **Videotape Analysis:** Every player's swing will be videotaped and reviewed so that they can see exactly where they need to make adjustments. It is much easier to correct mechanics if you can see what the coaches are suggesting.

◆ **Confidence:** Players will leave with a game plan tailored to their hitting approach that will give them confidence not only in practice but also every time they step up to the plate.

◆ **Training Tips:** Learn the techniques that can help you succeed and propel you towards college baseball and beyond.

Take your game to the next level with hitting instruction from our professional coaching staff!
